June 8, 2008

1. Describe a time in your life when you really needed help.

2. What do we learn about Rahab, the spies, and God from this passage? What does Rahab know about God?

3a. Where do people today look for protection or help?
How can these things sometimes let you down?

3b. Rahab saw God in the lives of others. What helps people see God the way Rahab did? What keeps people from seeing God this way?

4a. When have you seen the provision and protection of God in your life? Where do you need God's provision and protection in your life right now?

4b. What is it about your walk with God that makes people say, "I want that!"?

" A heart melted in fear is only one step from becoming a heart molded by faith!"
